EXCEL IN YOUR CAREER

Gaining EngTech, IEng or CEng status is an endorsement of your skills, competence and professionalism.

As a member of the **British Compressed Gas Association, BCGA**, you are invited to attend this free online workshop. It is a presentation explaining the Academic and UK SPEC 4 competence requirements for Eng Tech, I Eng and C Eng Registration, How you can meet them, Tips on recording your development, How to write up a good application form, What to expect at Professional Review Interview, CPD requirements, How to get the most out of your IMechE membership and Q&A. The session will be delivered by IMechE's Senior Membership Development Manager, Sandra Mulligan.

October 7 at 10am on Teams. Book a space on admin@bcga.co.uk

Improving the world through engineering
